

Acrylic Glass Block Windows That Rock...From NT

Add drama and style unique to your home with our beautiful and durable Acrylic Glass Block Windows.

Benefits:

- Energy Efficient
- Provide Natural Light & Privacy
- Saves Money on Window Treatments
- Operating Windows Allow for Ventilation

Features:

- Can be used in any room of the home
- Lightweight materials which are scratch and stain resistant
- Offers structural and thermal performance similar to traditional dual glazed windows
- Fixed and operating units available
- Easy to clean and maintain - with mild soap and water

Easy to install, these windows come fully fabricated and are easily installed in both replacement and new construction applications.

Our acrylic glass blocks are hermetically sealed to help prevent glass condensation. These highly durable blocks have approved safety glazing and are certified by AAMA for use in all wind zones.
