NT Window Honored by Trinity Habitat for Humanity with it's Corporate Award

Fort Worth, TX

The Trinity Chapter of Habitat for Humanity honored NT Window® for its continued support of Habitat's community programs and outreach at their annual "Habitat Heroes" event held last month.

At the organization's Annual Habitat Heroes Volunteer Appreciation Dinner on Feb. 27, 2014, NT Window was graciously honored with the *Corporate Award* for its continued partnership and support of the Habitat for Humanity mission and vision of creating a world where everyone has a decent place to live.

"Every day all of us at NT Window work together to design and manufacture products that are beautiful, safe and provide better performance for homeowners." said Ryon Ray,

NT Window President & CEO. "We all deserve to realize our dream of living in a beautiful, safe and comfortable home that we can be proud of, and that's a big reason why we partner with Trinity Habitat – to make that dream come true for more families" he added.

NT Window has worked with Trinity Habitat for more than 8 years and Ryon adds that working with the Trinity team has always been a pleasure. "Working with the local Trinity Habitat Chapter and the team they have there, has really allowed us to better define ways in which we can do more to help people with the products we manufacture. It also keeps us connected to the community which is a big focus for us as a company."

Ryon went on to say "It's great to be able to give back to the communities we serve, and having the opportunity to work with such a great organization like Trinity Habitat has been great for us. It is an honor to receive this award and we will treasure it for many years to come."

About NT Window, Inc.

NT Window, Inc. a Fort Worth-based window manufacturer partners with their dealer network to collaborate with organizations to donate and install replacement windows in the homes of low income homeowners selected to take part in the program.
