

Manufacturer's Certification Statement

Windows and Doors

The Inflation Reduction Act of 2022

This certificate applies to the series of windows and patio doors listed below that are manufactured by NT Window, Inc., and verify that these products when ordered with the required glass package meet or exceed the criteria as outlined in The Inflation Reduction Act of 2022 and detailed in the Internal Revenue Code Section 25C: Residential Energy Efficiency Tax Credit. These products, if installed by December 31, 2023, qualify, and allow for a tax credit of 30% of the cost of qualifying products (excluding installation) for a maximum tax credit of \$1,200 per household (windows are capped at \$600 & doors at \$500), as specified in the Act. Please refer to www.energystar.gov for full details and other restrictions.

NT Window, Inc. certifies the following windows and patio doors, when purchased with the required options, meet the current Energy Star Most Efficient requirements as stated:

- 1800 Series (F & G-Series) Windows
- Royal Awning Series (A100-Series) Windows
- Royal Casement Series (C100-Series) Windows
- Series R301 Sliding Glass Doors

NT Window, Inc. assumes no liability for homeowners' ability to obtain the above tax credits. Please consult your professional tax advisor for further information and filing directions.
